## Giving up or taking up?

Wednesday 6<sup>th</sup> March marks the start of Lent, a period often associated with self-denial. Many of us might 'give something up' for the period, but there is another way to take the time seriously: putting others' interests ahead of our own for these weeks. We can take things up, attempt new endeavours and offer ourselves in service in different ways for the good of people and planet. It may be that, particularly for Reformed people for whom activity is more attractive than quiet introspection, this is an attractive option.

If you're interested, I suggest you visit [www.40acts.org.uk](http://www.40acts.org.uk), a website provided by the Christian group Stewardship which offers a range of forty activities centred on serving others - with the encouragement of knowing that we're not alone in attempting them.

Each day in Lent (which always excludes the Sundays, just so you know) more than a hundred thousand people who sign up will be presented with a challenge, as individuals and as groups, to make a difference. What's significant for us is the possibility of engaging with our community. As Simon Fenn of Cromer Church said of the programme, "40acts has helped our church family to be more outwardly focussed and shown how simple acts of kindness can make a real difference to people's lives."

We're not strangers, in Orchardhill, to this way of thinking. Now, with a little help from some Christian friends we can develop a more outward focus, making a real difference through simple acts of kindness. I hope you might visit the website, sign up, join in - and tell us how you get on.

Giving up chocolate for six weeks might have its place. Yet taking up a practical interest in the well-being of others around us sounds pretty sweet, too.

What might you take up for Lent?

Your Minister,  
**Grant Barclay**

# Orchard Community Café

Last month we advertised for more helpers to bake for our café that runs on Tuesdays and Thursdays. We are delighted that five new bakers have signed up making a total of fifteen bakers and easing the burden on our usual ladies. This brings the number of volunteers to a total of 35 staff, “soupers” and bakers from our congregation who willingly donate their time regularly to support our café. Well done Orchardhillers!

As well as providing tasty soup and delicious home baking we give a substantial amount of money to a new charity every month as well as supporting through ‘Compassion uk’ a young boy from Ethiopia in his education and wellbeing.

If you have never visited our café we are ready and waiting to meet up with you as soon as possible!

## Knitting and Crochet Group

The group started back in January and we gather in the church after Sunday service to knit and crochet over a cuppa and a chat. We're a friendly bunch and are always keen to welcome new members.

Please feel free to drop by any Sunday to see if you may be interested in joining us, or just to discuss what we're working on. We are also looking for ideas on suitable good cause projects; so if you have any suggestions please let us know.

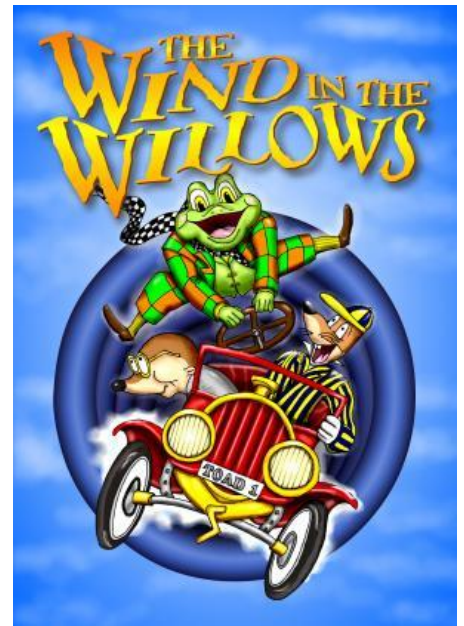

## Completing your WFO envelope

Thank you to everyone donating by envelope, all contributions are very warmly received. When making your donation, please enter the amount in the space provided on the envelope; this helps make counting and recording more efficient and accurate.

# Generation Story

The **Generation Story** project is inclusive, bringing together younger and older generations for a common purpose, and builds on the positive resources that younger and older people have to offer each other and those around them. Both parties have the opportunity to give as well as receive, to feel a sense of ownership and achievement, and it aims to put a smile on everyone’s face.

There’s no feeling in the world quite like companionship, don’t you agree? It makes us feel wanted, appreciated and improves our quality of life. That friendly face you can talk to. The chance to meet new people and being connected to your community.

We’re already noticing benefits for our older people (or “**people with experience**” as we prefer to call them) as they share their life stories and skills with young children between 3 and 12 years old in **Giffnock Nursery and Primary School** and the teachers are noticing an improvement in the social skills and confidence of the children.

Sharing skills

This is inclusive – no one is too old or too young! The greatest gift you can give someone is your time.

There are a number of opportunities to get involved, please pick up a leaflet, speak to Lindsay Barr or, alternatively, email [generationstory@orchardhill.org.uk](mailto:generationstory@orchardhill.org.uk).

# Junior Badminton/Tricia Murray Tournament

The annual Tricia Murray tournament took place on the 2<sup>nd</sup> February. Sixteen of our twenty members attended, playing in a two league round robin format. There were some great games and everyone played well in a friendly but competitive manner. Parents came along and enjoyed a chat and cup of coffee. Jim Kerr and Colin Williamson, our Church elders were also present and Colin presented the trophies to the winning couple, Lewis Griffin and Ali Malik. The runners-up were Gregor Dickov and Daniel Watson.

## East Ren Good Causes

Orchardhill Church continues to work closely with ERGC donating to many people in need of help to acquire some of the basics of life too often taken for granted. Some of the causes already helped by Orchardhill include winter baby clothing for a family unable to meet the costs; half the cost of a new tumble drier for the family of a young boy with a life limiting condition and continence issues; helping an unemployed man meet the cost of badly needed clothing and footwear to help improve his appearance and chance of gaining employment.

ERCG are currently looking for contributions towards the cost of a washer/dryer for one client with health issues. A twin pram is needed for a young mother referred through Women's Aid, this will allow her to get out in the community. Orchardhill has been asked to contribute towards the cost of providing showering facilities for a woman with a number of health problems. A victim of a financial scam that left him with a debt problem needs help to pay repair costs to a toilet cistern.

**Speaker: Ross Greer MSP**

***"A revolutionary movement? Saving the Kirk"***

**Ross Greer** is the youngest ever MSP, a Green Party Member of the Scottish Parliament for the West of Scotland region, elected at the 2016 election.

Ross Greer: "Young people are at the heart of the Church and every other faith community Scotland, making a huge contribution not just to their faith but to the wider community. In Scotland's Year of Young People we can not only raise the profile of that work but ensure that young people are genuinely empowered and respected in our society. We are after all, certainly not here to be seen but not heard!
